

In this month's Hydrafile:

Products of interest:

Log Splitter Kits... With electricity prices hitting people hard in the pocket, wood fires at home are an economical heating alternative to that expensive fan heater. Hyspecs can offer a range of log splitter components to suit systems from 5 HP for a home DIY to an industrial 12 HP suitable for high end splitters.

Information for the log splitter kits can be obtained from the following green link - [Hyspecs Log Splitter Kits](#)

As always, please do not hesitate to contact our sales team if you require further information on this product. Just call one of the team or click on the following blue link to send an email - [Hyspecs Information](#)

Featured Product Range:

Haldex DC power packs... Hyspecs stocks a full range of Haldex HE2000 modular DC/AC power packs. The Haldex power packs are based on a versatile platform that allows you to combine AC/DC motors with a variety of pumps (pressure balanced and fixed clearance) and reservoirs (plastic and steel; cylindrical and rectangular). Product applications typically include truck tail lifts, power steering and auxiliary functions, scissor and boom equipment.

For detailed specification information, click on the following green link to take you to the Haldex website - [Haldex HE2000 Power Packs](#)

Talk with our Sales Engineers today with regards to your HE2000 Power Packs. Call Hyspecs or click the following blue link to send us an email. - [Hyspecs Information](#)

News:

Hyspecs appoints new Marketing & IT Manger... As you may have heard, Kim Clarke, our Marketing Manager is leaving to further his education at university. We applaud the desire to increase his qualifications and wish him a prosperous future as a result of his efforts. See the news feature for more information - [Hyspecs News Page](#)

Don't forget contacting us is easy, click anywhere you see [Hyspecs Information](#) and your email program will open ready to go.
