

In this month's Hydrafile:**Product Feature - Powerpacks**

Hyspecs manufacture a range of power packs to suit customers' requirements. From industrial manufacturing plant to agricultural sorting machines Hyspecs powerpacks give you the grunt when and where you need it. Utilising Hyspecs tanks, pumps, valves, electric motors and other powerpack accessories Hyspecs can build just about any combination.

We manufacture and stock our own line of oil tanks ranging in size from 35 to 225 litres. They come complete with lid, gasket and are primer etched inside and out. We can also paint or powder coat the finished product to your specification. [Click here for more information.](#)

Hyspecs stock standard Hengshui 3-phase 4-pole electric motors ranging from 0.75 to 45 kW, with other sizes/options and single phase available on request. [Click here for a detailed product sheet including pricing.](#)

Hyspecs stock a large range of pumps from gear to vane to piston; we will have in stock, or can access anything you want or need in this department. [Download our pricelist here to see for yourself.](#)

Specialist valving is where we are strongest. With Sister company [Hytech](#) able to manufacture any type or combination of aluminium, steel or cast iron hydraulic manifolds, Hyspecs can protect your investment whilst minimising potential leaks and other maintenance issues. For our range of standard manifolds [click here to view our Cartridge Catalogue](#). Talk with our sales engineers today for your cartridge manifold requirements.

Staff News

The average staff member has been employed at Hyspecs for over 10 years. Some of us stay around even longer...Hyspecs wishes to congratulate Richard Krebs and Andy Borgfeldt on a continuous stay of duty for 25 years.

Richard qualified with Aircraft Avionics Certificate, Radio Technicians Certificate, and NZCE Electrical from Air New Zealand in 1982. He joined Hyspecs in the same year and progressed through stores, sales and design duties, and eventually became Managing Director.

Andy joined Hyspecs in 1981 just after the Christchurch office formed. Andy has progressed through the company to his current position of South Island Sales Manager. To assist him with his role, Andy is currently studying towards a Diploma in Business.
