

**In this month's Hydrafile:****Products of interest:**

Hyspecs is now stocking EPE accumulator charge kits. The kits are a self contained carry case that provides the necessary fittings and components to pre-load and check 5/8 UNF or M28 x 1.5 accumulators depending on kit purchased.

Kits feature:

- Valve body complete with ring nut connection to accumulator valve, pressure gauge, bleed, and non-return snap in hose connection.
- 3 m high pressure hose with connections
- Gauge with full scale reading to 250 bar
- Spare set of gaskets
- Instructions
- Case

**Featured product range:**

Donaldson NZ confirmed late last year that Hyspecs was to be the recognised country distributor for the Donaldson Hydraulic Filter range.

In the 1970's Hyspecs became the agent for the Italian filter manufacturer - FBO, providing a well respected range of hydraulic filtration components. In the late 1990's FBO was acquired by the Donaldson Corporation. Donaldson's integration of FBO into it's product line is now complete providing Hyspecs with a broader range of hydraulic products than previously available. To gain an insight of product available, click on the following green link to go open to the Donaldson Industrial Hydraulic website - [Donaldson Industrial Hydraulic Overview](#).

If you require detailed information, pricing or availability, please do not hesitate to contact a Hyspecs Sales Engineer, or click the following blue link to send us an email. - [Hyspecs Information](#)

## News:

**Eaton-Vickers product update.** The first shipment of Eaton Vickers vane product is now on the shelf in Auckland. As of the beginning of March a range of V10, V20, 20VQ and 25VQ single pumps, cartridges, seal kits and spare parts are available for supply. Double vane pumps and the beginning of the Cetop product is due in towards the end of March.

If you require pricing or availability on any Eaton-Vickers product, please do not hesitate to contact a Hyspecs Sales Engineer, or click the following blue link to send us an email. - [Hyspecs Information](#)

**Hyspecs congratulates Phil Housley on his success at the 2004 South Pacific Masters Games held in Hamilton.** Phil, Hyspecs' Stock Controller, recently picked up a close 3rd place in the Yamaha Kart class of the Masters games held in Hamilton on February 20 & 21. In addition to the 3rd placing for his class, Phil also picked up a 2nd place for his age group. Well done Phil!
